PETITION FOR CORRECTION OF FILING RECEIPT UNDER 37 CFR 1.10(c)

Commissioner for Patents
Washington D.C., 20231

BOX DAC

Sir:

Attached is a copy of the official Filing Receipt (Attachment A) received from the PTO in the above application for which issuance of a Corrected Filing Receipt is respectfully requested. There is an error in that the filing date is incorrectly entered, and the filing receipt should read: Filing Date: 12/12/2001.

Applicants initially and timely requested a corrected Filing Receipt via facsimile to the Office of Initial Patent Examination on July 26, 2002. Said request was declined (see copy of Response to Request for Corrected Filing Receipt mailed August 7, 2002, Attachment B), stating that the filing date accorded to the application is the date the application met the filing date requirements of 37 CFR 1.53(b) or (c).

Applicants respectfully submit that the application met the filing date requirements of 37 CFR 1.53(b) on December 12, 2001, as the application was filed with the specification, at least one claim and any drawings on said date. Applicants received and responded to the Notice of Missing Parts by submitting the required filing fee, and an executed Declaration and Power of Attorney. Applicants further responded to the notice of informal application by submitting a

replacement specification which separated the drawings from within the specification, and by submitting formal drawings.

This data is evidenced by the enclosed copy of the Notice to File Missing Parts – **Filing Date Granted** (Attachment C), evidencing the granted filing date of December 12, 2001.

Applicants additionally enclose a copy of the return receipt postcard (Attachment D) showing receipt by the U.S. Patent Office on December 12, 2001, and a copy of the original Filing Receipt dated February 11, 2002 (Attachment E), as well a copy of Express Mail Label EL 831512267US (Attachment F), addressed to the Commissioner for Patents and bearing a "Date in" by the U.S. Postal Service of December 12, 2001.

Accordingly, Applicants respectfully petition the Commissioner under 37 CFR 1.10(c) to accord the present application a filing date of **December 12, 2001**, and requests a corrected and updated Filing Receipt be mailed to the indicated correspondence address.

Applicants hereby declare all statements made herein of their own knowledge are true and all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the Application or any patent issued thereon.

Applicants do not believe any fee is due in connection with this Petition. However, the Commissioner is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 02-1818. A duplicate copy of this sheet is attached.

Respectfully submitted,
